# Highlights

## Smart Lighting Controls

Schedule your light strip to achieve effortless automation. Combine it with other Kasa devices for seamless control, especially when you're sprucing up your home with consistent lighting or customized scenes.

## Flexible and Easy Install

Just plug in and connect to complete configuration. Your strip's flexibility to bend, cut,[†] and extend[‡] allows you to stick it or place it in the exact spot you desire.

# Features

## Ease of Use

· Lighting Effects – Choose from a wide array of colors, even dim to any brightness you desire for the perfect atmosphere.

· Schedules – Use your Kasa Smart app to schedule your light strip to automatically turn on and off to fit around any event you're having.

· Groups and Scenes – Combine your light strip with other Kasa Smart devices for seamless control with a single tap on your mobile devices.

· Extendable – Connect up to 10 sections for a total length of 33ft and watch lighting effects span the entire strip.

· Made for Everyday Wear and Tear – Your strip's durable silicone coating prevents moisture and dust intrusion and electrical leaks – all white dissipating the heat from its LEDs.

## Compatibility

· Works with Vocie Assistants – Control smart light strips using the leading voice assistants such as Alexa, Google Assistant and SmartThings.

· Compatible with Android, iOS – The free Kasa Smart app lets you run smart light strips from any Android (5.0 and higher) or iOS (iOS 10 and higher) devices.

## Lighting

· Multicolor – Choose a different color for any occasion.

· Auto White – Automatically adjust the color temperature of your Kasa Smart light bulb to match natural light patterns from dawn to dusk.
